Using A.I. to build a better human | The Age of A.I.

Through life changing accidents, and data minded through NASCAR, human beings are finding ways to rebuild one another so that we are better, faster, and stronger than ever before and all with the help of A.I.. Once nothing more than the stuff of comic books and TV shows,...

Saving the world one algorithm at a time | The Age of A.I.

Many say that human beings have destroyed our planet. Because of this these people are endeavoring to save it through the help of artificial intelligence. Famine, animal extinction, and war may all be preventable one day with the help of technology. ...
